

Judge Number: _____

Poster Number: _____

Fall 2017 Graduate Engineering Research Showcase

Poster Evaluation Sheet

Please circle on one score 0 – 10 for each category below

Does the poster fit on the provided foam board (approx. 30"X40")?
The poster can be either landscape or portrait orientation.

Yes or No
(Please circle)

Aesthetics/Organization:

- Is the poster visually appealing?
- Does the poster present content to the viewer in an organized manner?
- Is there a good balance of images/figures and text?

0 1 2 3 4 5 6 7 8 9 10

Content/Merit:

- Is the poster and discussion appropriate for the general engineering audience?
- Is the objective of the work obvious from the presentation of the material?
- Does the presenter validate the scientific merit of the research?

0 1 2 3 4 5 6 7 8 9 10

Presentation Skills:

- Is the presenter confident, enthusiastic, and appropriately dressed?
- Is the presenter engaging when explaining the material?
- Does the presenter tell a coherent and interesting story?

0 1 2 3 4 5 6 7 8 9 10

Technical Response:

- Does the presenter understand and describe the work in a technical manner?
- Is the presenter able to effectively use examples to explain concepts?
- Is the presenter able to draw valid conclusions based on the results?

0 1 2 3 4 5 6 7 8 9 10

Question and Answer:

- Is the presenter able to communicate the proper responses to the questions raised by the judges?

0 1 2 3 4 5 6 7 8 9 10

-Please write any notes/comments on reverse side-
